

# RACKET RE-STRINGING + MAINTENANCE SERVICES

---

**PROVIDE YOUR OWN STRINGS** – £15

**SYNTHETIC GUT** – a classic monofilament, wrapped with extra layers to increase durability and power. Ideal for any club level tennis player. - £20

**WILSON SENSATION** – a softer feeling multifilament string with good playability. Ideal for players who don't often break strings & players with playing arm/ shoulder niggles. - £22

**WILSON REVOLVE** – a softer polyester string, which gives good power and good durability. For players who want to gain more power, with minimal reductions in feel. - £24

**BABOLAT PRO HURRICANE** – a polyester string, for regular string breakers, with good power and excellent durability. - £26

**HYBRID** – a combination of a more durable down string with a softer more playable cross string. A great compromise for string breakers who still want a good feel of the ball. - £24

**PICK A STRING** – preferred brand, type of string or colour; we can accommodate almost anything you want to request. - £26
